

CRM & Software

Custom CRM vs Salesforce vs HubSpot

The honest guide for UK small businesses.

Swipe to read →

Salesforce: built for enterprises.

From £20/user/month rising steeply.
Designed for one sales methodology.

→ **Powerful. But built for someone else.**

HubSpot: good until it is not.

Free tier is useful.

Proper CRM features start at £41/month.

→ Great for standard. Costly for specific.

Custom CRM: built for you.

Your process. Your terminology.
One-time cost. No licence fees.

→ **Built once. Owned outright.**

The 3-year calculation.

HubSpot Pro: £1,476 minimum.

Custom: £2,000-£5,000 once.

→ **Breakeven: 18-24 months.**

Not sure which is right for you?
