

Lexalytic

What a UK Digital Studio Actually Builds

Not the brochure. What we deliver.

Swipe to read →

Bespoke websites.

No WordPress. No templates.
No monthly platform fees.

→ **This site scores 100 on Google SEO.**

Custom business tools.

CRMs, rotas, job trackers,
client portals. Built once.

→ **No licence fees. You own it outright.**

AI-powered tools.

AI embedded in your workflow.
Not a tab someone opens.

→ CVCraft AI delivers in 24hr, zero humans.

Data systems.

Power BI dashboards.

Reports that build themselves.

→ The numbers you need, automatically.

Every project starts with a free call.

Tell us what you need built.
Fixed price. You talk directly
to the person doing the work.
